## 1. Introduction

The document communicates the major new features and changes in this release of the bowbridge Anti-Virus for SAP Solutions. It also documents known problems and workarounds.

## 2. About This Release

Version 3.1.13 Build 862 service release to the bowbridge Anti-Virus line of products.

## 3. Supported Operating Systems

This product has been tested on the following platforms or with the following products:

- Linux on x86\_64 (SLES 12 and newer, RHEL 7 and newer)

## 4. Upgrade Procedure

The product installer will detect existing installations if directed to install into the directory of an such an existing installation. It will then offer the option to upgrade the existing installation while preserving all settings and configurations.

Direct upgrade is supported from all 3.x releases. Upgrade at runtime is supported from all releases after v3.1.9

To benefit from service-mode feature introduced in v3.1.13 the installation/upgrade must be run with root privileges, as only root can register and control OS services.

## 5. New Features

The following features have been added to this release:

- none

## 6. Bugs and Issues fixed

The following issues have been addressed in this release

- False positive active content detection PDF files
- Fixed resource leak in libicap if one of two ICAP servers is not available

## 7. Known Bugs and Limitations

## 8. Version history (previous 3 releases)

### 3.1.13 – 862

Fixes:

- False positive active content detection in HTML
- Archive scan timeout adjustments for Java archives
- New MIME-type to extension mappings for MHTML

### 3.1.13 – 860/861 (no wide release)

- Improved detection for XSLT

### 3.1.13 – 859

Fixes:

- Issue with extensions filters when the filename ends with a period (".")
- Non-selective scanning for OLE content in non-MS-Office files
- False MIME-type detection of some CSS files as Assembly source code

### 3.1.13 – 858 (no wide release)

Fixes:

- False-Positive detection of active content (Event Handler) in some plain text files.
